

LRC Rubber Mounts

Feature:

- ★Rugged construction
- ★Weather resistant coating.
- ★High efficiency.
- ★Ability to level equipment and machinery.
- ★Non-skid Neoprene elastomer
- ★Easy leveling.
- ★No special foundation required.
- ★Maintenance free.
- ★Noise attenuation.
- ★Resist oil, ozone and caustic materials.

Applications:

Punch presses, Lathes, Milling machines, Screw machines, Transformers, Pumps

Type		LRC-40	LRC-80	LRC-120	LRC-160	LRC-185	LRC-260	LRC-310
