

LN Rubber Mounts

LIVA-EP
利瓦环保

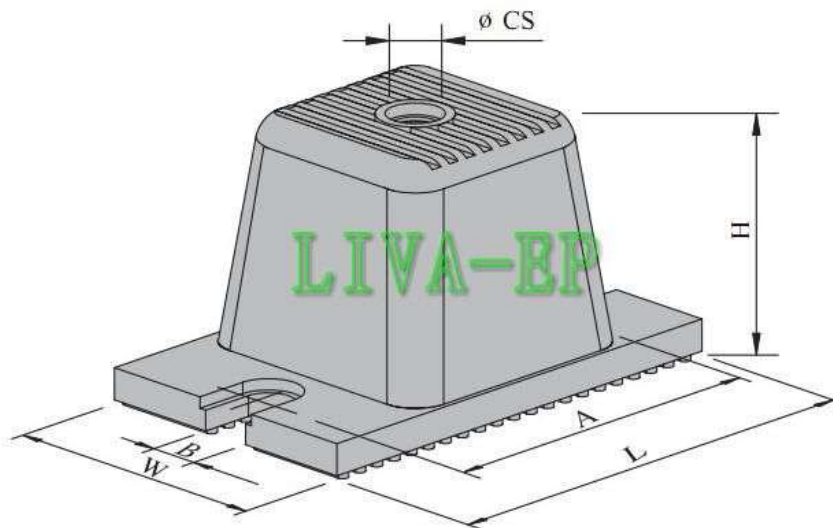

Feature:

- ★Wide-range load with low natural frequency.
- ★Resist oil, ozone and caustic materials.
- ★Rugged construction.
- ★Effective vibration isolation .
- ★Quick and easy installation.
- ★Noise attenuation.
- ★Durable.
- ★Maintenance free.

Applications:

- ★Ruggedized installations, Industrial machinery, Generators, Blowers, pumps, and compressors, Condensers
